SOUTHERN AREA DEPOT

1254 Puketona Road
RD 3 Kerikeri 0293
Ph: 09 407 0700
Fax: 09 407 0715

IMPORTANT

- This application is for the physical connection of your installation to the Top Energy Network ONLY. You will need to contact an electricity retailer to provide your electricity supply. The Retailer will require from you the ICP number for your installation, which we will provide to you following acceptance and payment of Top Energy's quotation.
- This application provides Top Energy with the information necessary to assess the impact of the installation on the Network and to enable a quotation to be prepared for the connection of the installation to the Network
- Within ten (10) working days following receipt of this application AND payment of the application fee, a Top Energy representative will contact you to discuss your application further, and to arrange a site visit.
- Top Energy will then provide you with a written quotation;
 - For Minor Works we will endeavor to provide you with a quotation within ten (10) working days after a site visit is conducted.
 - For Major Works we will endeavor to provide you with a quotation within twenty (20) working days after a site visit is conducted.
- It is important that all panels on this form are completed as fully as possible. If in doubt ask your electrician to assist or contact Top Energy for guidance. This will avoid delays and assist both the energy retailer and Top Energy.
- This installation must comply with AS/ANZ 3000:2000, and the Electricity Regulations 1997 and subsequent amendments.
- Applications are valid for a period of six (6) months from date of approval.
 - Timeframes are an indication only and can vary depending on work load at the time the application is received.
 - Minor Works consist of, but are not necessarily limited to: Works required to connect a standard installation to the Network for which power is readily available at the property boundary.
 - Major Works consist of, but are not necessarily limited to: Works required to connect a non-standard installation, or a standard installation to the Network for which significant Network extension is required or, subdivision developments.

An Application Fee of \$100 (including GST) is payable. This application will only be processed after this fee is paid.

We accept EFTPOS, cheques, cash, or Direct Debit into our Bank Account – Top Energy Ltd, 020332-0011638-00. (Note: Credit cards will not be accepted)
