

What outcomes are you aiming to achieve? *How many people will you impact? What change do you expect to see? What are your measures of success? How will your project be evaluated?*

What are your measures of success?

Tell us about a programme or initiative you have delivered successfully and the outcomes you achieved.

What other funding are you applying for? (If any)

What are your key milestone and delivery dates?

What other organisations are you partnering with? (If any)

Outline any key risks identified

Is there any other information you would like to provide?

Energy Wellness Fund Terms and Conditions

1. The initiative or programme must positively impact homes in the Far North which is the same geographical area as the Top Energy Network and the Far North District Council, north of Hukerenui.
2. The programme must be run by a nonprofit or community organisation that can evidence positive outcomes in their existing programmes
3. The programme must deliver at least one of the following Energy Hardship outcomes:
 - Connect homes to the electricity network, which, without funding, would have no access to electricity.
 - Install community energy, supplying electricity to homes that are vulnerable due to their rural nature.
 - Educate energy wellbeing.
 - Home assessment and remediation (outside of existing sponsorships such as Healthy Homes)
 - We will consider other initiatives which will target reduced energy hardship outcomes
4. This grant is open to organisations that have been operating for over a year.
5. This grant cannot be used to pay for retrospective purchases / arrangements.
6. Top Energy reserves its right not to award a grant if we decide there are no suitable submissions.
7. We may split the grant between several winning submissions.
8. This is a one-off grant and does not allow for ongoing funding or sponsorship.
9. Your programme or initiative can also be funded through other sources however cannot also receive funding from another Top Energy sponsorship.
10. Your programme must be delivered in 12 months from being awarded
11. This is a competitive grant and not everyone can be successful.
12. You are more likely to be successful if you are already delivering a successful programme (this does not have to be an energy related programme).
13. All decisions are final.
14. We will announce your funding success through a variety of media channels, you will need to supply an appropriate photo for this.
15. We require a project report within 2 months of the completion of your programme or initiative.
16. You will be asked to provide photos of the programme or initiative so we can celebrate your success through various media publications.
