

HELPING OUR YOUNG PEOPLE GROW

TO ENCOURAGE AND PROMOTE ACADEMIC EXCELLENCE AND PROFESSIONAL DEVELOPMENT IN THE AREA OF ENGINEERING FOR FAR NORTH STUDENTS

The Top Energy Scholarship Programme provides a one off \$10,000 payment for a Far North student wishing to study a Bachelor of Engineering (Honours).

The programme is for school leavers intending to study at the beginning of the year following application, at the Universities of Waikato, Auckland or Canterbury, and will cover relevant holiday work at Top Energy where possible.

Subject to successful completion of the relevant degree, Top Energy may offer permanent employment. This is an annual competitive scholarship which must be used to pay for tuition fees. It is a one-off payment of \$10,000.

The scholarship is open to students who have studied at a school within the area served by Top Energy's network, from Hukerui to Cape Reinga.

SCHOOL / UNIVERSITY:

To qualify for the scholarship, applicants need to meet the following criteria:

- Be a New Zealand citizen or permanent resident of New Zealand and who normally resides in the Far North.
- Be a school leaver intending to enrol in a four year Bachelor of Engineering degree (Honours), at the Universities of Waikato, Canterbury or Auckland.
- Have achieved academic success (performed well in NCEA Level 3, IB or Cambridge examinations).

Candidates will be assessed on the following criteria:

- Academic ability based on your latest academic record
- Cultural and sporting participation and achievement
- Community service and school contribution
- General character
- Motivation to study and succeed.

Applications must be accompanied by:

- A certified birth certificate and/or passport copy
- A recent passport sized photograph
- A current CV (outlining academic achievement and any extracurricular science, engineering or technology activities)
- A certified copy of your latest academic transcript
- Details which demonstrate leadership and creative skills
- A signed endorsement from a referee
- A personal statement (no more than 1,000 words) outlining why you want to study engineering (or why you are already studying engineering), future plans on completion of this degree and why this Scholarship is needed.

Shortlisted applicants will be interviewed by a judging panel and the successful candidate selected. There will be no further discussion once the decision has been made.

The deadline for your submission is 23 August 2024. The winner will be announced by Friday 6 September 2024.

Apply online at www.topenergy.co.nz/sponsorship/engineering-scholarship.
