### Net Charge for Export

Net Charge for Export is calculated as Charge for Export less Credit for Network Benefit. This is only available for customers with a TOU meter with a connection of 45kVA or less and who export up to 45kW. The Credit for Network Benefit is set at 0 c/kWh for all TOU periods. The Net Charge for Export is 1 c/kWh.

**For more information visit [www.topenergy.co.nz](http://www.topenergy.co.nz) or call 0800 867 373**

Current from 1 April 2026
